

Professional Qualifications:

Susan (Suzie) C. Faulhaber *Senior Career Consultant*

Suzie's professional background includes over 20 years of experience in the areas including Human Resources, Consumer Sales and Web-based information technology. As a Human Resources Manager, Suzie specialized in recruiting, training and benefits administration. She also served as a Training Director and developed and implemented various training programs for management non-exempt employees.

Suzie has a strong desire to see her candidates succeed and is highly motivated to ensure all job search activities for her candidates are conducted with the highest level of quality. She truly cares about her candidates' success and commits herself to helping them achieve their career goals and aspirations. She is dedicated to seeing that each of her candidates learn the necessary techniques to ensure their success.

She is also experienced and very comfortable with the CPI Online technology resources. She had a successful position selling and training customers on Web-based 'real time' systems so she is very effective in recommending and leading our candidates through this maze of technology.

Suzie lives with her husband and children in St. Louis where she is a life long resident. She received her BS from the University of Missouri-Columbia and a MA in Human Resources Development from Webster University.

She is a member of Mizzou Alumni, Webster Alumni, and the National Human Resources Association-St. Louis Affiliate.
